

(8) For Dog Sled Freight Hauling CUA Only

Winter 2015-2016 Dog Sled Freight Hauling CUA Application Supplement

The following information is required for those applying for a Dog Sled Freight Hauling CUA at Denali National Park & Preserve. (If you are not applying for a Dog Sled Freight Hauling CUA at Denali, please disregard this section and proceed to Exhibit A & B.)

This program allows a number of Commercial Use Authorizations (CUA) to be issued to qualified individuals or companies to provide dog sled freight hauling services in Denali National Park and Preserve.

- **Applications MUST be received at the NPS Alaska Regional Office
NO LATER THAN September 18, 2015.**
- **Applicants must complete Form 10-550, the general CUA application.**
- **Applicants must also submit the following information:**

Company Background, Procedures and Policies

1. Philosophy or Mission Statement

2. Administrative Structure and Personnel

3. Resource Protection, Sanitation, Waste Management Programs

4. Safety and Medical Program

5. Emergency Operations and Protocols

6. Risk Management Plan

7. History of Operations

Describe your company/ kennels history of operations or travel in DNPP or similar areas in Alaska in winter. Give examples of camping expeditions you have completed with your dogs (length of trip, travel conditions encountered, typical gear carried or used). Give examples of any route finding or trail breaking you have done by dog team, snowshoe or ski as several areas of the park are closed to snowmachine use and you may need to establish routes for your team at any time.

12. Briefing Clients on NPS Policies and Protocols

14. Reservation, Cancellation, and Refund Policies

15. Consideration for Other Park Visitors
